Keystone Communications

We are dedicated to communicating with all parents in a timely manner. We have several means of communication. These are listed below.

   This web site is extremely important. This is your individualized parent account for your child(ren). You can view attendance, grades, meal balance, and more.

❖ **Newsletters from the Teachers**
   Teachers will have newsletters with information regarding your individual child’s classroom with additional school information.

❖ **Office Monthly Newsletter**
   The Keystone Comments includes school related information with a “Dates to Remember” section.

❖ **PTO Newsletter**
   This is PTO information on upcoming events and topics.

❖ **School Messenger Phone Call, E-Mail, and Text**
   National Heritage Academies has subscribed to a phone fan-out site that allows us to communicate with a phone call, e-mail, and text to all parents. The calls are made in the evening to better our chances of reaching someone. Please make sure your primary phone number is up-to-date with the school at all times. If you would like to receive text messages, you must opt in. Simply text Yes from your cell phone to 67587. You will receive a confirmation response. If, at any point, you no longer wish to receive text messages, simply text STOP to 67587.
