Young Adult Books

What are they?

- These books may contain topics which at a more mature level. Typically, these books are used in the middle school grades.
- These books could include inappropriate language, violence, romantic feelings, bullying or other "middle school" related topics.

Where can I find more information?

- If you are interested in looking over the books before your child checks them out, you can find summaries of books at www.arbookfind.com.

What next?

- Please fill out the permission slip below stating whether or not your child is or is not allowed to check out young adult books from the 5th grade teachers and the library. Return these slips to Ms. Cannon ASAP!

Young Adult Permission Slip

Student Name: ____________________________________________
